# ABOUT OUR ORGANIZATION

## 100% VOLUNTEER RUN NOT FOR PROFIT

Our Thunderbird Parent Association is a 100% volunteer-run not-for-profit organization that exists to support Thunderbird High School students, teachers, administrators, and campus improvement projects.

Our annual school-year budget includes classroom and instructional improvement investments such as technology subscriptions that our teachers use to provide targeted support and instruction for our students with autism, advanced lab equipment for our science teachers, incentive programs for students that encourage positive behaviors, T-Squad shirts for our freshman class to build community, and scholarships for students attending training programs after high school that include trades, community college, and university.

Thunderbird High School has an A rating from the State of Arizona and our group is part of the amazing Thunderbird team working to support, encourage, and develop future employees, future business owners, and future leaders in our community.

Learn more about our work at [thunderbirdhighschoolparentassociation.com](http://thunderbirdhighschoolparentassociation.com) website or through our social media accounts.
